## Annual Meeting and Dinner with special guest, Peter Schickele

Friday, June 9, 2006 at 6 PM

The Union League of Philadelphia  
140 South Broad Street  
Philadelphia

Reservations Required

**O**ur Annual Dinner Meeting is a very special event this year. Not only are we privileged to have the use of the Union League of Philadelphia for our dining and entertainment facilities, we also have a celebrity musical comedian/speaker to help us unwind from our busy year. Peter Schickele, aka P.D.Q. Bach ("the last and least of the sons of J.S. Bach"), will be our featured "entertainment" and will no doubt delight us with his hilarious musings. Few people around here know that he studied outside of Philadelphia at Swarthmore College before continuing his studies in composition at Juilliard with Vincent Persichetti. So we can claim him as one of us! And because one of our program committee members (David Christianson) is a Union League member, he is able to sponsor our event so we can have access to this unique, historic, and beautiful building. Please visit [www.unionleague.org](http://www.unionleague.org) for more history and timelines. This event will long be remembered, and I hope many of you will be joining us.

Wayne Presbyterian Church  
125 EAST Lancaster Avenue (Route 30), Wayne, PA.

**O**ur sub-Dean, Alan Morrison, who also serves as organ professor at The Curtis Institute, will be joined by his mother, Jeanine Morrison, in a duo recital played on the church's IV-87 Austin pipe organ and the church's recently restored Steinway concert grand piano. This recital will kick-off our chapter's week-long Pipe Organ Encounter for young aspiring organists. We are so fortunate to hear this very same recital which will shortly afterwards be featured at the national AGO convention in Chicago!!

VOLUME LXVIII, NO. 10

## DEAN'S LETTER

It has been quite a year for the Philadelphia Chapter. The season got off to a great start on a sunny Saturday in September at Bryn Mawr Presbyterian Church where we experienced their new Rieger organ and Verdin carillon and had lunch. On a cool night in October, John Scott played a concert at St. Luke's Episcopal in Germantown. After dinner in Doylestown, Jonathan Ambrosino lectured on the history of the civic organ at Lenape Valley Presbyterian. The annual January JumpStart was held on a cold winter's day in warm and cozy Overbrook Presbyterian. In February, Scott Myers played his winner's recital at Bryn Mawr Pres., and the Legends III event was held at Tenth Presbyterian on a chilly Friday evening. About seventy attended the Wanamaker Organ Crawl on a fine Saturday morning early in March. At the April event, listeners were blown away by the sound and musicianship of Neos Ensemble at Wayne Presbyterian. The season came into full bloom with the Kimmel Center debut of the Cooper Memorial Organ. Peter Schickele and dinner at the Union League will cap an awesome year for the Philadelphia Chapter! (Send your reservations in PDQ - pretty darn quickly!)

Jeff Fowler

The Chapter is indebted to the people and the institutions which host our events so willingly. Many were followed by lavish receptions. I'd like to especially thank Jeff Brillhart, Andrew Senn, Dennis Elwell, Paul Jones, and Ray Biswanger.

It takes the effort of quite a few people to pull off everything the chapter does in a year. Until you've actually served as a part of the chapter's boards or volunteered as a worker bee or hosted an event, you really are unaware of all that goes into what we do. If you think we're all a little nuts for doing this, you're probably right. But like all those insane singers who leave the comfort of their warm and cozy homes to sing in your choir, we consider this a labor of love. The movers and shakers of the chapter are people who give up time, money, and fuel not just because we believe in what we do, but because we actually enjoy the work and enjoy each other. Many of you remain uninvolved. It's not that you don't have the ability, and it's not that you can't make the time. Nobody really has the time. Consider this drone the current Dean's vision for the chapter and for you personally: to be more involved with the chapter. Consider getting to know us all sometime soon. The chapter's closing event on Friday, June 9 at the Union League is just such an opportunity.

Enrollment for the Pipe Organ Encounter the last week of June is just about closed as of this writing. 40 young people will attend. POE is a weeklong camp for teenage organists, the leaders of our profession in the not so distant future. Students will be coming to us from all over the country on Sunday, June 25, and are our responsibility 24/7 until Friday afternoon. The week will be launched with an organ and piano recital by our awesome Sub-Dean, Alan Morrison, and his mother, pianist Jeanine Morrison, playing the IV/87 rank Austin and the newly rebuilt 1872 Steinway Concert Grand Piano at Wayne Presbyterian Church. You are encouraged to attend the concert. It's an extra Chapter Event!

POE students will be staying in the dorms at Villanova and will take lessons and practice each morning during the week in area churches. The afternoons are filled with activities and field trips, some educational and some not, but all fun. The logistics and transportation issues we face are monumental. (While background checks are an inescapable reality these days, they add to the already long list of tasks to be accomplished.) We are renting a bus from Starr Bus Company, but need young at heart (and responsible) chapter members to volunteer to transport students. The even younger at heart (crazy?) will chaperone, staying in the dorm. Some of our faculty have volunteered in these capacities. Paul Jacobs (Juilliard) agreed to teach, but only if he could fully participate as a chaperone as well. Thank you, Paul, for your leadership in the total POE experience! Please consider helping if you are asked.

After POE, I expect to see some of you at the convention in Chicago. This is the last Dean's letter and *Crescendo* for two months as our next issue is September. I'll be escaping to the mountains in August with no organs or organists in site. I hope your escape has been planned as well. Enjoy your summer!

*Jeff Fowler*

## REGISTRAR'S CORNER

JOE LEWIS, REGISTRAR

## THIS CURRENT MEMBERSHIP YEAR EXPIRES JUNE 30TH

Dues payments for the 2006-2007 year should reach me by July 1st, 2006. All renewal forms went out in the mail on May 2nd. If you still have not received your renewal form by this date, please contact me ASAP and I will get one in the snail mail to you. If you have any questions about your current membership category or are contemplating a change, please don't hesitate to ask me for assistance. And we ask that you carefully review all the data in your computer file we have printed on the back for your inspection, cross out incorrect data, and put corrections and additions above or below. We prize our up-to-date database and would also like to keep the national membership office informed as well so that you don't lose touch with us and we don't lose touch with you. The cost of dues has not changed this year, so it is easier than ever to renew. I have seen the advanced program for next year's chapter events and they are not to be missed. So get your form in today. Once forms are received, I will send you a confirmation thank you letter that will also contain your new membership card and a program card for next year's events. Also included in your renewal mailing is an AGO Volunteer form and Jeff's "Dean's Letter".

## EACH ONE...REACH ONE

It certainly is a catchy phrase and simple in its vision: that each member invite a new person to join the chapter. We would love to see this happen for the 2006-2007 membership year. And if we do this before the June 30th deadline we could well receive national recognition at the AGO Chicago convention in July. Shall we give it a try? (Note that I leave for Chicago on 6/29/06, so forms would need to reach me a bit earlier)

## PATRON CONTRIBUTIONS CONTINUE

We have been very fortunate this past membership year to have a continuing base of generous members who have funded our Chapter above and beyond the listed dues rates. These patron gifts have enabled us to do so much more, and we gratefully thank all those who have supported us in the past and who plan to contribute more gifts to augment the work of the Guild for the 2006-2007 membership year. Your generosity is most appreciated.

## THANKS TO THE MASS MAILING TEAM

Many volunteers help to make my job a lot easier and save me countless hours of time with the large number of forms, envelopes, stamps and return address labels we send out. My deepest thanks go out to Sherry Beebe, Judy Bell, Liz Cochran, Loretta and Jack Hartnett, Judy Lang, Mardia Melroy, Kathy Moyer, Yoshiko Seavey and Glenna Sprang for all the time they spent to get two separate membership mailings out in one day, dealing with over 1,000 pieces of mail, and to Roy Harker and Jeff Fowler for their assistance as well. We are so fortunate to have such dedicated helpers so willing to give of their time.

Respectfully submitted,

Joe Lewis  
Registrar

## Watch for further details in the Fall.

**Any organ builder  
can give you a few  
pieces of the puzzle...**

In the thirty-five years since Allen pioneered digital sound, a lot has changed. Then, digital was revolutionary, today it's everywhere. Still Allen continues to lead the way in groundbreaking technology and customization for your needs. The realism of **Acoustic Portrait™** and the versatility of **Quad Suite™** are just two examples.

**Quad Suite™** provides four completely different organ specifications in one console. No hidden stops to program to pistons, no guesswork when you play. Just four clearly marked, easily accessed, professionally balanced stop lists at your fingertips, only from Allen.

**Acoustic Portrait™** is the only sampled reverb offered in any digital organ. The final piece of the digital puzzle has been completed. While all digital organs offer sampled sound, only Allen offers sampled space. The difference between it and the conventional digital reverb is—quite simply, startling.

**Only Allen offers the whole picture.**

Allen, Always a perfect fit.
