VOLUME LXX, NO. 1

D E A N ' S L E T T E R

Welcome to another exciting year of AGO events. I am honored to be your new dean and remain somewhat intimidated by this task so smoothly performed by Jeff Fowler for the past two years. A big thank you to Jeff for all his hard and creative work!

Alan Morrison

It is my hope that our chapter will continue to grow. More importantly, I expect us all to be as supportive as we have been of our events, which are thoughtfully planned by our Program Committee. I encourage you all to bring friends along with you to these offerings to introduce them to the King of Instruments. No time has been better than the present with our ongoing collaboration with The Kimmel Center. The three featured recitalists this year guarantee a most enjoyable and quite varied series — Todd Wilson, Hector Olivera and Dame Gillian Weir. If you are not on the mailing list of The Kimmel Center, I suggest you request a mailing. You may call them at 215-790-5800 or visit their website at [www.kimmelcenter.org](http://www.kimmelcenter.org)

So mark your calendars NOW with all our event offerings and invite as many people as you can. Also please take note of the many fine offerings of our local churches in the *Crescendo* monthly Calendar of Events and try to support each other and bring friends. We all become busy with our own jobs and commitments, but, if we plan ahead each month, it becomes much easier. I find it very rewarding to see so many varied musical events in all our members' churches. Music is therapy to our world. Be thankful for your gifts and know that others appreciate it.

ALAN MORRISON

## REGISTRAR'S CORNER

JOE LEWIS, REGISTRAR

## CURRENT MEMBERSHIP

I heartily welcome all 07/08 members who have renewed or joined us for the first time. It is good to have your support for the chapter again and to know you truly value your AGO membership. As of the cut-off date for September publication we currently have 346 members enrolled, 12 of whom are brand new. At our height at the end of the 06/07 year we had a total of 426 members registered. As you can see, we have a bit of catching up to do, with quite a few of our 06/07 members still not joining us for the current 07/08 year, which runs July 1st, 2007 to June 30th, 2008. If you have yet to send in your dues form and payment, please do so at your earliest convenience. Most likely you will shortly receive a gentle reminder phone call from one of our officers or Executive Committee members encouraging you to rejoin. This year's programs and activities are very exciting, so don't wait any longer. Please note that this issue of Crescendo is being sent to all previous members as a complimentary issue only, and that the October issue will only appear if they renew. If you lost your form, you can easily download another from our website, or contact me and I'll mail/or email you one.

Occasionally I get an inquiry about why a member's check had not yet cleared their bank. Throughout the spring and summer we do lump our checks and forms together into several large Dues Reports that go first to our Treasurer for deposit and then on to the AGO National Headquarters in New York City. These reports contain a great deal of information, with a considerable portion of each of them indicating updates and changes in address, contact info, and membership categories for various members. These must be very accurate and require time to complete. Tie in with that summer vacations and interruptions, and you realize that there may be a delay in checks being cleared. Please be patient with us, as all these multitude of tasks are performed by dedicated volunteers to the Guild.

Each new or renewing member receives a thank you response letter from me containing a membership card and a list of this year's chapter events. If you renewed or just joined us and did not receive a confirmation from me, let me know right away. Please note that my contact email addresses are registrar@agophila.org or joe.lewis@agophila.org. and phone 610-935-0895.

## WELCOME TO NEW MEMBERS

Please make these members welcome at all chapter events and encourage them to get involved as an ACTIVE MEMBER:

## *Tradition & Technology Working Together*

The familiar Annapolis landmark, historic Saint Anne's Episcopal Church, recently chose R.A. Daffer Church Organs, Inc. to upgrade their mechanical action pipe organ using a new Rodgers DSG system.

Incorporating digital pipe organ samples into a mechanical action pipe organ required a company versed in both modern computer technology and traditional organ building and woodworking.

The Rodgers Digital Stop Generator (DSG) system allows for the expansion of up to 32 pipe organ sounds across four different divisions. The samples used in this new unit are Rodgers' Digitally Imaged stereophonic samples. Saint Anne's added 12 additional pipe organ sounds, which play through eight channels of audio hidden in the organ's case. Drawknob assemblies, created in our woodshop, seamlessly blend with the existing drawknobs. Organists now have an expanded tonal palette to use in the church's music ministry programs.

**Any organ builder  
can give you a few  
pieces of the puzzle...**

In the thirty-five years since Allen pioneered digital sound, a lot has changed. Then, digital was revolutionary, today it's everywhere. Still Allen continues to lead the way in groundbreaking technology and customization for your needs. The realism of **Acoustic Portrait™** and the versatility of **Quad Suite™** are just two examples.

**Quad Suite™** provides four completely different organ specifications in one console. No hidden stops to program to pistons, no guesswork when you play. Just four clearly marked, easily accessed, professionally balanced stop lists at your fingertips, only from Allen.

**Acoustic Portrait™** is the only sampled reverb offered in any digital organ. The final piece of the digital puzzle has been completed. While all digital organs offer sampled sound, only Allen offers sampled space. The difference between it and the conventional digital reverb is—quite simply, startling.

**Only Allen offers the whole picture.**
